

Annual Breastfeeding Friendly Business Challenge!

*We are looking for **you to help** our community members find and be aware of Breastfeeding Friendly Businesses.*

Nominate a local business to be designated as a
Breastfeeding Friendly Business.

Please think about **your experiences** at worksites, restaurants, and retail establishments with these three descriptions in mind:

- Flexible work schedules including breaks and work patterns to provide time for expressing milk
- Access to a private location(s) that is not a bathroom, for expression of milk
- Access to a nearby clean and safe water source and a sink for washing/rinsing of breast pump equipment

Email nominations by **July 15th** to Sarah Stock, Northland Breastfeeding Coalition, at sastock@northwest-csa.org.

Awards will be presented during World Breastfeeding Week, August 1-7

“We envision a community where breastfeeding is the norm”

Business nominated _____

Address _____

Phone # _____ Email _____

Business Contact Person (if available) _____

Name of person completing form _____

Phone # _____ Email _____

Please answer the following questions:

1. How does the business provide flexible work schedules including breaks and work patterns to provide time for breastfeeding employees to express milk?
2. What private location(s), that is not a bathroom, is available for expression of milk? Could you provide a photo of this space (with the business' permission)?
3. Where is the access to nearby clean and safe water source and a sink for washing/rinsing of breast pump equipment?
4. Any other information you would like to share?
